

Dear Supporter:

Spring semester is underway and the clubs of the construction management program would like to personally invite you to attend their second annual golf outing. This year each individual club would like to invite their sponsoring organizations to attend a group golf outing. The executive teams of each student chapter feel that this opportunity is a way for all industry contractors to come back to their original roots. We collectively agree that this outing can be a great way for students, contractors of all types, and vendors to get together and enjoy a great day at the links!

WHERE: The golf outing will be held at:
The Ravines Golf Course (Directions are attached in documentation)

WHEN: **Friday, April 26th, 2019**
10:00AM registration
10:30AM shotgun start

Snacks and drinks will be provided during registration. Included in your registration will be a meal ticket that can be redeemed at any time throughout the day. All participants are encouraged to stay after the event for the award ceremony and trophy presentation. Awards will be given out to 1st, 2nd, and 3rd place teams; in addition to longest drive, closest to the pin and longest put.

Proceeds from this golf outing will support your organization of choice. The student chapters will use the proceeds of this event for recruitment activities, service outreach projects, attending national conferences, and participating in competitions.

We all collectively recognize our companies in each sector of the construction business, as we encourage you to all attend this event! This golf outing is the largest and most exciting fundraiser for any of our student chapters. We thank all who have supported in the past and hope new faces join us this year for continued success.

Please return the registration form by **March 22nd, 2019**. No refunds will be issued after April 12th, 2019

If you have any questions, please contact Jhoanna Sadural at jsadural@purdue.edu or 219-484-8628.

Sincerely,

Students of the School of Construction Management
